

Do you shop at Farm Fresh? If so, there is a wonderful fundraising opportunity that will allow us to raise monies for purchase of school equipment. The program is called 123-4(for the) Community, which is the new name for the ABC's program. When shopping for groceries, please let your cashier know that you need a 123-4 receipt. Please save those receipts and bring them to the main office starting Monday, September 29, 2008. There will be a clearly labeled box in the Main Office. Please encourage your students to participate as well!

Please, please, please take the time to mention this program when cashing out so that you can receive the appropriate receipt and don't forget to drop them in the decorated box in the office.

Need more information? The link is copied below, but click on the hyperlink to check it out for yourself ☺.
