Dear Hines Middle School Families and Stakeholders:

As part of our **Positive Behavior and Intervention Supports Program**, our students earn “Spartan Stocks” for demonstrating Safe, Responsible, Respectful, and Positive academic and social behaviors at Hines Middle School.

Our students are able to exchange their earned “Spartan Stocks” for real items in our school store and to purchase snacks when they attend tutoring and support programs afterschool.

We **ONLY** have school supplies in our store and our students really **VALUE** the independence it provides when they can use their own “Spartan Stocks” to exchange for real items they **NEED** for school. I have heard that parents also appreciate not having to make unscheduled trips to the store to get materials for school projects.

Our students also appreciate being able to get a quick snack afterschool, since the first lunch we serve begins at 10:30 A.M. As you might imagine, our students **LOVE** redeeming their “Spartan Socks” for real items that they need!

If you are able to help donate supplies for our students, please drop your donation off in our main office.
