Health Requirements for School Entry (Immunizations)

IMPORTANT: TDAP Shot Information for all 6th Grade Entry. 6th graders must have a documented Tdap shot in order to receive their class schedules at orientation in the Fall.

Virginia law requires 6th and now 7th, 8th, 9th, 10th, 11th, and 12th graders to have a current TDAP shot. 6th grade schedules to be held if no documentation is provided prior to orientation.
TDAP shots available for children at age 10 at the Peninsula Health Department (757-584-7110).
Your child's physician may wish to give 1st required shot. If so, we must have written documentation from your doctor.

The above information about T-DAP IMMUNIZATIONS is on our
Newport News Public Schools website.

More information about required immunizations may be found at:
sbo.nn.k12.va.us/healthservices/healthrequirements.html
