

Club Activities

Recognizing the social nature of middle school students and capitalizing on their need to move and do, Newport News middle schools offer a variety of enrichment activities that expose students to higher level thinking, real world application, and fun. Students are encouraged to become actively involved in establishing agendas and goals, recruiting and organizing its activities. Every club and activity offers students numerous opportunities to develop and hone their leadership skills, and explore and develop new talents to highlight their strengths. Most clubs and activities are held after school, twice a month. (*Excerpted from the NNPS Middle School brochure.)

These clubs meet on Tuesdays or Thursdays (sometimes both days) and meet from 3:30-5:00 PM. Transportation is provided, however, the bus number and bus stop may be different from your regular stop so make sure you know your bus and stop.
